

A few words from Michael Lee:

*Thank you once again for your kind and altruistic sponsorship last week.
Your generosity means a lot to me.*

£2073 was the total raised.

I shall be writing a cheque to HARINGEY Chinese Centre for the full amount.

*It was 20 years ago this year my grandmother passed away.
In the last few years of her life, she was in a non Chinese speaking nursing home.
Haringey Chinese Centre was kind enough to organise weekly transportation to visit
their centre for her. She found comfort, enjoyment and a sense of belonging each time
she visited.*

*It's the small gestures that can mean so much later in life when you have time to
think about it properly.*

So I dedicate this sponsorship event to her:

MRS HO CHEUNG TAI

I am just sorry it has taken me 20 years .

*Looking ahead, use this time to remember loved ones that was once in your life.
Appreciate loved ones that are still in your life and look forward to many more loved
ones still to come.....*

*grandmothers
create memories
that the heart holds
forever*
